Purchasing eBooks from the eTextbook Shop and Accessing the Kortext eBook Reader

Student Guide

Your course may require you to purchase an eTextbook from the AUS eTextbook Shop. The University's eTextbook Shop is provided by Kortext.

Kortext is an ebook platform that enables students to access their books both online and offline, on multiple devices. Kortext provides perpetual access to ebooks once they are downloaded, can be integrated through iLearn, and is publisher agnostic. Their features include note taking, highlighting, and faculty analytics.

There are 2 sections in this guide:

1. Purchasing from eTextbook Shop.
2. Accessing Kortext Reader and Viewing Purchased eBooks.
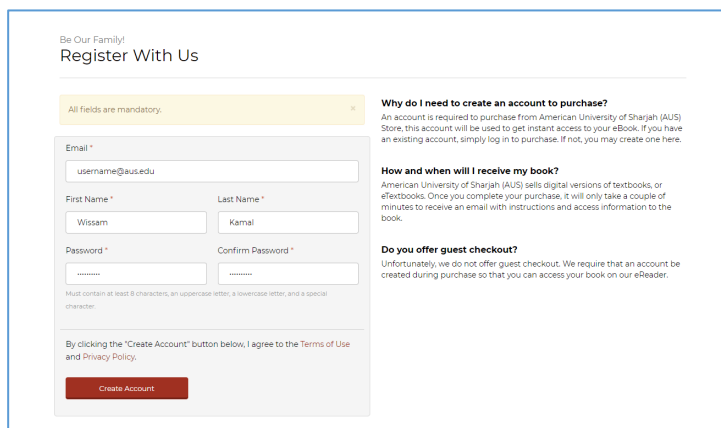

Purchasing from the eTextbook Shop

1. While in iLearn , click on the **eTextbook Shop** link on the top menu, as shown in the figure.
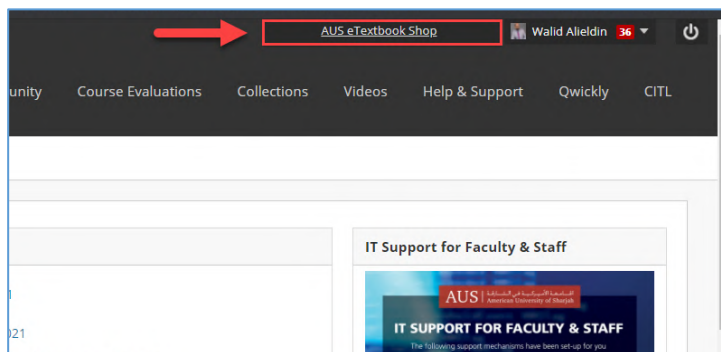

2. The eTextbook shop will open in a new browser tab. You will need to create an account before being able to purchase any ebooks. Click on the **Register** link.
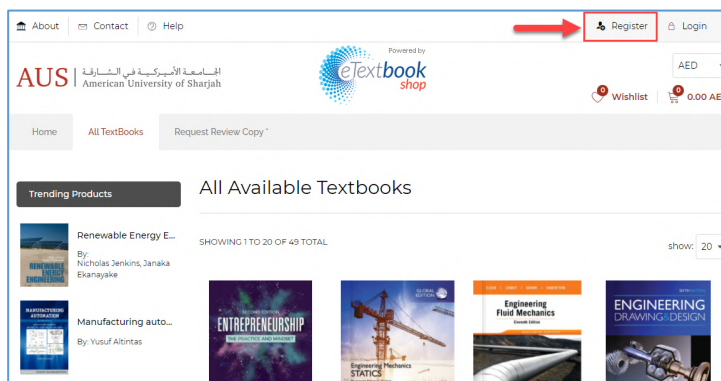

3. The registration form will open. Register using your **official AUS email address**. (Note: Do not use your personal email address). After registration, you will receive an email confirmation to complete the process and you will then be able to login.

4. Access the eTextbook shop once more and login with your email and the password you set up in the previous step.
   - You should be able to see a seach box on the page.
   - Enter the tilte or the ISBN of the textbook.
   - You should be able to get this from your instructor or from the course's syllabus.
